

Supporting children,
young people and families

Why not join the

Dragonflies Lottery

For £1 per month you will be entered into the monthly draw with a chance of winning a minimum of £50.

Our Dragonflies Project supports children, young people and their families who have experienced bereavement. Dragonflies offers a safe space for them to share their feelings, thoughts and memories. This is delivered through peer support groups, where creative therapeutic activities and group discussions are facilitated by our fully trained team.

Your support is greatly appreciated and enables FSN to continue to offer a free service to those in need.

APPLICATION TO JOIN THE DRAGONFLIES LOTTERY

Bereavement project supporting local children and young people to manage loss in their lives

I would like to apply for membership of the Dragonflies Lottery
