

Supporting children,
young people and families

A drop-in and play group for families with pre-school aged children

fsncharity.co.uk

What is PACT?

Parents and Children Together. Safe indoor and outdoor spaces providing a range of play opportunities to develop children's physical, social and communication skills.

What we offer

- **Friendly, informal supported play led by trained peer volunteers in local Family Hubs**
- **Opportunities to meet other local families**
- **Signposting for individual support**
- **Access to trips and outings during school holidays for the whole family**

What is it for?

Local families can access the drop-in groups with a referral from their Health Visitor, Midwife or Key Worker.
