Supporting children,
young people and families

Your local
Children's
Centre

St. Leonards Children's Centre

offers health services and a range of activities for families with children age under 5 years including Ante-Natal Clinics, Baby Weighing and Play and Learn sessions

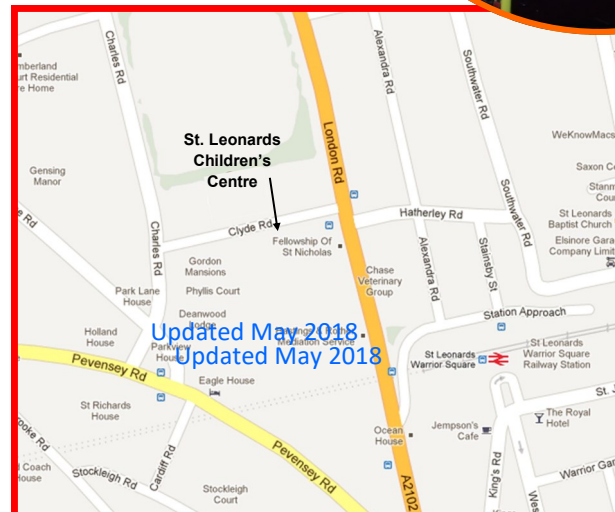

SLCC Scrap Store

FSN collects and receives safe and clean scrap materials and papers, kindly donated by local businesses and industries under its "Waste Management" Licence.

Table Sales

Volunteers from both FSN and the Children's Centre hold bi-monthly Table Sales either in the centre or outside, weather permitting, to raise funds for FSN projects

Scrap items collected will be used by groups working in care, educational or therapeutic play in Children's Centres in Hastings and St Leonards
