

Supporting children,
young people and families

"I can see that
my child has
progressed
in the time he
has been
there"

Ofsted:
"Staff have warm,
caring relationships
with children. They
are sensitive and
responsive
to their
individual needs"

"I can see that all
the staff really
know the
children and care
about their
wellbeing"

Supporting children,
young people and families

FSN delivers a range of services across
a wide area including Hastings, St
Leonards, Rother and Wealden,
responding to the changing needs of
the community and the children,
young people and families that live
there.
